

## Harrison's Tribute to Lincoln.

In his speech at Lincoln's tomb President Harrison said: "The interest of this journey culminates to-day as we stand here for a few moments about the tomb of Lincoln. As I passed through the Southern States and noticed those great centers of busy industry which have been built since the war, as I saw how fires and furnaces have been kindled where there was once solitude, I could not but think and say that this hand that now lies beneath these stones kindled and inspired all we behold. All these fires of industry were lighted at the funeral pyre of slavery."

The closing sentiment of the above will go down as a gem worthy of Lincoln himself.

## COAST NEWS.

No Shirt has been elected chief of the Umatilla Indians.

Two men were garroted in the heart of San Jose, California, Monday night.

Mrs. J. M. Price, daughter of F. Popplewell, committed suicide at Butte Meadows, Cal., Wednesday.

According to the report of experts, Omir Bullis, Tax Collector of Los Angeles, Cal., has failed to account for \$31,800.

George Washington Maddix, colored, has been arrested at Stockton and charged with the murder at Marysville, Cal., some time ago, of a man named Bull.

A fire at Kelseyville, Wednesday destroyed the principal business block on the south side of Main street, including Slocum's store, a livery stable, hotel, butcher shop, saloon and other buildings. The fire originated in the old Dodson Hotel.

Wednesday forty men, under the leadership of A. Johnson and R. W. Snider, left San Diego, Cal., in the schooner yacht Fernot, with two weeks' provisions on board, for the purpose of overtaking, if possible, and capturing the contraband vessel Halcyon, which left the Sandwich Islands a few days ago with a large cargo of opium.

An autopsy performed upon the body of young Potter who was drowned in the bay at San Diego, Cal., on Monday, developed the fact that he forfeited his life to the cigarette habit. It was found that he had a very pronounced case of what has come to be known as "cigarette heart." The smoke causes the valves of that organ to harden, and in time an extra effort of any kind results in the death of the victim.

Jean Renault, the Frenchman who some months ago assaulted an old woman in the streets of Los Angeles, Cal., and when an attempt was made to arrest him shot Sheriff Aguirre, has been again arrested and locked up on a charge of assaulting Mrs. Elchale, Mrs. Colton, a neighbor, heard the screams, got a revolver and ordered Renault to throw up his hands, which he did, while another woman summoned a policeman by telephone.

## Too Much Sameness.

Theodore Winters has a bay colt from Marion by Hooker for which a name has been suggested by several noted horsemen in the East, among them Major Bellaire of St. Louis. The name suggested by the latter is "Yo El Rey," which is the official signature of the King of Spain and means "I, the King." Mr. Winters has adopted the name, and the colt, for which Major Bellaire is sponsor, will be known as Yo El Rey. *Journal.*

With El Rio Rey, Del Rio Rey and Yo El Rey there is danger of getting his horses names mixed up. There is too much sameness in these names.

## The Center of Population.

The center of population of the United States as shown by the census of 1890, is about ten miles north and east of Greensburg, Indiana, in latitude 39 degrees, 11 minutes, 56 seconds, longitude 85 degrees, 32 minutes, 53 seconds, and is exactly on a straight line with the first center marked out east of Baltimore ten years ago.

Bill Gibson says he intends to stay with the Indians and see them through the educational mill.
